Comparison of OTS and FDIC Annual External Audit Requirements

OTS 12 CFR 562.4

FDIC 12 CFR Part 363

Scope

The OTS requires an external audit for safety and soundness purposes if a savings association has received a composite rating of 3, 4, or 5 under UFIRS.

[12 CFR 562.4(a) and (b)(1)]

The Director may waive the external audit requirement for a saving association if the Director determines that an audit would not provide further information on safety and soundness issues relevant to examination rating. [12 CFR 562.4(c)(2)]

The OTS requires an external audit for a savings and loan holding company that controls savings association subsidiary(ies) with aggregate consolidated assets of \$500 million or more.

[12 CFR 562.4(b)(2)]

A savings association holding company may request a modification or waiver of the external audit requirement.

[Handbook - Section 350; paragraph heading 'OTS Required Audit: Audit of Savings Association Holding Companies with \$500 Million or More of Total Assets; Modification or Waiver']

The audited consolidated financial statement of the savings association holding company will be accepted in lieu of separate audited financial statements of the savings association. [Handbook - Section 350; paragraph heading 'OTS Required Audit: Audit of Savings Associations that Receive a Composite CAMELS Rating of 3, 4, or 5; Required Reports']

Insured depository institutions, including savings associations, with total assets of \$500 million or more at the beginning of each fiscal year after December 31, 1992. [12 CFR 363.1(a)]

The audited financial statements (AFS) requirement may be satisfied by audited financial statements of the consolidated holding company. All other requirements of Part 363 may be satisfied at the holding company level if certain conditions are met. [12 CFR 363.1(b)]
